

# One of the afternoon breakout sessions at Cancer Support Now's FREE Living With and Beyond Cancer Conference

Deborah Torres,  
CFM, CFTS,  
will speak on

## What is lymphedema, and how to manage it

Deborah is an American Board Certified Mastectomy and Compression Fitter. She has been working at Active Life for more than 6 years. She specializes in Custom compression garments and post mastectomy products.

"I love my job because it gives me the opportunity to help others and most importantly educated others on different diagnosis like lymphedema."

Active Life offers cosmetically appealing and comfortable solutions following the removal of breast tissue for clients who are electing or delaying breast reconstruction. Our post-mastectomy services breast prostheses and forms, mastectomy bras, camisoles, swim forms and accessories.

Compression Garments  
Active Life's comprehensive and advanced compression garment treatment options assist our clients in the most challenging situations.
